

Horticultural Division

Directors in charge: Guy Scott, Leon Brisson, Hugh Armstrong

Following are some guidelines suggested for entries in Class 40 of the Horticultural Division. These guidelines are taken from the "Ontario Judging Standards," published by the Ontario Horticultural Association and/or the Garden Clubs of Ontario in co-operation with the Ministry of Agriculture and Food, which is available for purchase at a moderate price. This booklet provides you with everything necessary for successful entry in competitions in Classes 38, 39 and 40.

PREPARATION OF ENTRIES

1. List or mark on the following schedule, the plants you have grown that are, or will be, at the proper stage for exhibiting, including the "any other" categories.
2. Cut flowers and foliage the evening before the show or in the early morning, selecting specimens of quality.
3. **Preparing Materials for Hardening**
 - a) Remove lower foliage cleanly. Upper foliage must be attached unless otherwise stated.
 - b) Specimen blooms must be disbudded. In fact, good exhibitors will often disbud weeks before the show.
 - c) Make a fresh slanting cut at the end of stems, for maximum water intake.
 - d) Place in a wide bucket in deep warm water, preferably overnight.
 - e) Store in a cool, dark, humid, draft-free place.
4. **Conditioning**

It is well known that some cut flowers, foliage and woody materials do not readily absorb water, and require further treatment prior to hardening, to prevent wilting during the show.

 - a) Flowering branches generally benefit from splitting the cut ends, although some require removal of the thick outer layer as well.
 - b) Some cut flowers (e.g. poppies) benefit from burning the stem ends, while others benefit from placing stem ends in boiling water or from chemicals in the water. Details are available in floral books.
5. **Preparation of Specimens for Showing**
 - a) removal of dust, stains, pollen and any other foreign material.
 - b) re-cut stem ends before placing in show containers.
6. **Some Cautions**
 - a) a bud showing color is considered a bloom, which upsets the bloom count
 - b) only self-foliage is permitted to be attached, unless otherwise stated in the schedule
 - c) wiring, oiling, spraying and artificial coloring is prohibited in the Horticultural Division
7. **Placing Entries**
 - a) Exhibitors are responsible for placing entries in proper classes
 - b) Show directors can assist exhibitors to avoid errors in placing entries and ensure they qualify within the limits prescribed in the schedule.

8. Guidelines and Terminology

- a) Uniformity - specimens in an entry of a given cultivar should be as uniform as possible in size, form, and color. When several cultivars are involved, they may vary in size and color, but should be at a uniform stage of development.
- b) Form - should be characteristic of the cultivar. Thin shallow blooms, or distorted or immature blooms, are not of exhibition quality.
- c) Size and color - according to the cultivar.
- d) Substance - freshness and turgidity are evidence of good substance and lasting quality.
- e) Stem and foliage - the stem should be of good proportion, sufficiently strong and stiff to support the bloom, but not coarse. Only attached self-foliage is permitted, unless otherwise stated.
- f) Condition and grooming - entries should be at the proper stage of maturity, turgid and free of mechanical injury, insects, disease, and spray blemishes. Flowers and foliage should display evidence of good culture and grooming.

Apple/Cinnamon Christmas Tree Ornament

4 oz. cinnamon

10 tbsp. applesauce

Stir cinnamon and applesauce together and knead into a ball. It should be the texture and consistency of a thick cookie dough and should roll out easily without cracking. If too stiff, add a little more applesauce. Roll to 1/4". Use your favourite cookie cutters that are less than 4" in any direction. Using a very small dowel (like a sucker stick), poke a hole to facilitate an ornament hanger and bake at 200 F for 20-30 minutes. Don't over bake. Paint and decorate when cooled.
